1. "Contribution" means any object code, source code, documentation or other related materials submitted by You to the Project, excluding any submissions that You clearly designate as "Not a Contribution."
2. You hereby assign to Sun joint ownership in all worldwide common law and statutory rights associated with the copyrights, copyright application, copyright registration and moral rights in Your Contribution to the extent allowable under applicable local laws and copyright conventions. You agree that this assignment may be submitted by Sun to register a copyright in the Contribution. This Assignment supersedes and replaces all prior copyright assignments made by You to Sun for this Project. Neither party has any duty whatsoever to render an accounting to the other party for any use of the Contribution.
3. You hereby grant to Sun and to any party to who receives Your Contribution a perpetual, non-exclusive, worldwide, no-charge, royalty-free, patent license to make, have made, use, sell, offer to sell, import and otherwise transfer Your Contribution, where such license applies only to those patent claims licensable by You that are infringed by Your Contribution alone or by combination of Your Contribution with the work to which such Contributions were submitted. No patent license is granted: a) for any code that a licensee has deleted from Your Contribution; b) separate from Your Contribution; or c) for infringements caused by either third party modifications of Your Contribution or the combination of Your Contribution with other software or other devices if such combination causes the infringement.
4. Except as set forth in Paragraphs 2 and 3 above, You retain all right, title and interest in and to Your Contribution and may use the Contribution for Your own purposes. The assignment made in Paragraph 2 and the license granted in Paragraph 3 above are effective on the date You submit(ted) the Contribution to the Project.
5. You represent that You are legally entitled to grant the above assignment and license. If Your employer(s) have rights to intellectual property that You create, You represent that You have received permission to make the Contribution on behalf of that employer, or that Your employer has waived such rights for Your Contributions.
